CROP PROTECTION CLUSTER
(Entomology Program)
COLLEGE OF AGRICULTURE
UNIVERSITY OF THE PHILIPPINES LOS BAÑOS

GUIDELINES FOR ADMISSION OF UNDERGRADUATE STUDENTS

1. The undergraduate entomology program of the Crop Protection Cluster, College of Agriculture, UP Los Baños aims at producing graduates with the general background in entomology equipped with the basic knowledge and expertise of entomological methods and principles.
2. Any bonafide UPLB College of Agriculture student may major in Entomology by:
 - a. Filling up the Application Form for Undergraduate Majors; available at the Deputy Director's Office.
 - b. Attaching with the form
 - b.1 5 cm x 5 cm photograph (2 pcs.)
 - b.2 checklist of subjects from the Secretary's Office
3. The Cluster, through its Instruction Committee (IC), shall meet the applicants. Sitting en banc, the IC shall assign a faculty adviser of each applicant. The assigning of this adviser will consider primarily the number of thesis students the faculty has for a more equitable distribution of major students and advising. The almost equal number of advisees among the faculty.
4. The IC shall forward the application form with his/her photograph and the checklist to the faculty adviser for reference and filing/safekeeping and to be returned later to Ms. Lyris Marcella S. Reyes for filing as permanent record/photo file.
5. With the faculty adviser, the student will finalize his/her plan of course work and forward the plan to appropriate offices for signature/filing. Likewise, the thesis research topic or major practice will also then be decided, planned and implemented/conducted, etc.

In case the student decides to change his/her adviser, the student shall make a request in writing with the IC stating his/her reason(s). The IC shall deliberate on it, meet the student and reassign him/her to a new adviser if and when necessary. Again, equal distribution of students among the faculty should be observed.
6. Attachment:
 - a. A checklist of activities is also attached as guide for monitoring the student's progress towards graduation. Each accomplished activity shall also be countersigned or initialized by the advisor.
 - b. List of subjects/courses for reference (tentative/partial listing)
